# UTILITIES: *HOUSTON*

## Water

Most of Houston and even its surrounding municipalities are provided water managed by the City of Houston. To setup or transfer service, visit

[houstonwaterbills.houstontx.gov](http://houstonwaterbills.houstontx.gov)

## Internet & Cable

Comcast and AT&T should both be available to provide internet or cable in most areas, but you can double check on their websites to shop prices and make sure service is provided in your area. Visit

[allconnect.com](http://allconnect.com) to shop various internet and cable providers at once.

## Gas

Centerpoint Energy is Houston's only gas provider. Service can be setup at [centerpointenergy.com](http://centerpointenergy.com).

## Electricity

Electricity in Texas is not regulated so there are many options for electricity providers. Visit [powertochoose.org](http://powertochoose.org) to shop around! You can pick what source(s) your energy comes from, shop rates, and see what special rebates may be offered.

# It's YOUR MOVE

Our complimentary **Reliant Mover Concierge** has the tools and resources to help you feel right at home.

#### Electricity pricing you can trust

What you see is what you get: simple, clear, upfront pricing and easy-to-understand billing.

#### Energy expertise

Let us review your current electricity bill and match you with a plan fit for your usage, lifestyle and budget.

#### Flexible move-in

Request same-day electricity service if you're in a hurry, or schedule it up to 60 days in advance.<sup>1</sup>

**Make your new house a home.**  
Contact your Concierge today.

#### Reliant Connections<sup>SM</sup>

Get the hookup on offers from local providers to find great deals on phone, TV and internet.<sup>2</sup>

#### Move alerts

Know before you go. Find out when electricity service has been turned on in your new home.

#### Save on 24/7 home security by Reliant

Choose Reliant to power and protect your home and enjoy monthly savings on your combined bill.<sup>3</sup>

#### Ongoing customer support

Rest assured we'll be here to answer any account-related questions you have — even after your service starts.

<sup>1</sup> Same-day requests processed after 5 p.m. Central Time will be connected the next business day. Same-day service is offered Monday through Saturday, weather permitting, where an existing meter is in place. No holiday connections. Enrollment and permit requirements must be met before a request can be processed. Additional charges apply.

<sup>2</sup> Actual connection will be performed at a future scheduled date by these providers, and Reliant is not responsible for scheduling and making any connections or otherwise establishing any service with these providers. Reliant does not warrant or endorse any phone, TV, or internet service and will not be responsible to participating customers for any such claims.

<sup>3</sup> You must be a Reliant electricity customer with a Texas service address.
